Working for London 2012 is your chance to share a moment of history – not just in the UK, but on a global stage.

The London 2012 Olympic Games and Paralympic Games are taking place in London and across the UK, and we need talented and dedicated people to be a part of them.

With London 2012, there are all sorts of job opportunities for all sorts of people, including [those currently out of work](#) and [students](#). More than 100,000 people will be paid to work on the Games, all of them with different [backgrounds, skills and experiences](#).

From catering to IT, cleaning to ticketing, there are a wide range of paid roles available during what's known as Games time.

Recruitment is underway and if you are keen to get involved, you will find something you can apply for.

The four sections below show the different organisations where London 2012 jobs are available.

### LOCOG

The London 2012 Organising Committee, which is hosting and running the Games.

### Ceremonies

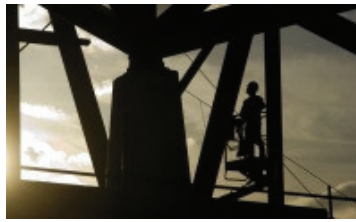

London 2012 Ceremonies, which will be putting on the Games' spectacular Ceremonies.

### Contractors

London 2012 Contractors, Games related organisations providing services to London 2012.

### ODA

The Olympic Delivery Authority, which is developing the venues and infrastructure for the Games.
